Judges have discretion to permit time extensions if movers are requested to elaborate their argument.

11.3 Failure to attend a moot round

If a team does not appear for a scheduled moot round, the moot shall proceed *ex parte*. The team that failed to appear forfeits all the round's total points. In such

instances, the Moot Committee shall in its absolute discretion decide on the scoring system as appropriate taking into consideration the moot competition structure and to ensure that all teams are judged fairly on their performance.

The team which presents its pleading shall be given scores by the judges to the degree possible as if the opposing team had been in attendance and presenting its arguments. The Competition Administrator may, at his or her absolute discretion, schedule an *ex parte* proceeding for the absent team if time permits.

11.4 Communications During Competition

Only moot communications listed below are permitted. There shall be no written communication to any judge. Teams are not permitted to submit pleadings or refer judges to any materials during the oral rounds. Teams violating this rule shall be disqualified.

During any moot round, mooters who are speaking and team members seated at counsel table may not use laptops, computers or any other computing device.

12. Scoring

12.0 Basis for Scores

Teams shall be judged on the quality of their overall performances and not on the merits of the case.

12.1 Scoring of Moot Rounds

The scoring consists of scoring for memorials and scoring for moot rounds.

There will be two types of scores given: raw scores for memorials and moot rounds and round points for moot rounds.

Notwithstanding the scoring system hereinafter set out, the Moot Committee shall in its absolute discretion vary the scoring system as appropriate taking into consideration the moot competition structure. Such variation in the scoring system shall be announced to the participating teams on or before the commencement of the competition.

12.1.1 Scoring for Memorials

The Moot Committee shall decide on the judges for the team memorials. Each memorial judge will score each Memorial on a scale of 50 to 100 points.

(a) Memorial Raw Scores

In each match, the Total Memorial Raw Score for each Team is the sum of the three (3) Memorial judges' scores. A Team's Total Competition Memorial Raw Score is the sum of the six (6) scores for its Applicant and Respondent Memorials. This score shall be used to determine the Best Memorial Awards.

12.1.2 Scoring for Moot Rounds.

A panel of three judges shall score each mooter at each moot round on a scale of 50 to 100 points.

(a) Moot Raw Scores

In each match, a Team's Total Moot Raw Score is the sum of the scores of the three (3) judges for each of its two mooters.

(b) Moot Round Points

In each match, a total of six (6) Round Points will be awarded based on a comparison of combined moot argument scores. For each judge, the sum of the judge's score for applicant Mooter 1 and Applicant Mooter 2 is compared to the sum of the judge's scores for Respondent Mooter 1 and Respondent Mooter 2. For each judge, the Team with the highest combined mooter score is awarded two (2) Round Points. If in any such comparison, the two Teams' scores are equal, each Team is awarded one (1) Round Point.

12.1.3 Total Raw Scores

In each match, a Team's Total Raw Score for that match is the sum of the Team's Total Moot Raw Score for that match. A Team's Total Competition Raw Score is the sum of the Total Raw Scores from each of its matches.

12.1.4 Total Round Points

In each Round, a Team's Total Round Points is the sum of the Team's Moot Round Points.

12.2 Penalty Deduction from Raw Scores

The calculation of Raw Scores shall be subject to the deduction of Penalty points under the provisions of Rule 13.

12.3 Two Judge Panels

If only two judges score a given Memorial or a given Moot Round, the Competition Administrator shall create a third score by averaging the scores of the two judges.

12.4 Determination of Winners and Rankings

12.4.1 Determining the Winner of a Match

In any given match, the Team receiving the greater of the six (6) available Round Points wins the match. If the two Teams each receive 3 Round Points, the Team with the higher Total Raw Score wins the match. If the two Teams have an equal number of Round Points and an equal Total Raw Score, the match is a draw.

12.4.2 Round Rankings

- (a) Teams shall be ranked by number of wins in the rounds, from highest to lowest.
- (b) If two or more Teams have the same number of wins, the Team having the higher Total Competition Raw Score from the rounds shall be ranked higher.
- (c) If two or more Teams have the same number of wins and the same Total Competition Raw Score, the Team with the higher Total Competition Round Points from the rounds shall be ranked higher.

12.4.3 Tie-Breaking Procedure

If two or more Teams are tied after application of Rule 12.4.2, and the outcome of the determination does not affect (a) any Team's entry into the Final Rounds, or (b) the pairing of any Teams in the Final Rounds of the Moot Competition, the Teams shall be ranked equally. If, however, further determination is necessary (under either (a) or (b) above), the rankings shall be accomplished as follows:

- (a) If only two Teams are tied and if the tied Teams have faced each other in the Preliminary Rounds, the winner of that match shall be ranked higher.
- (b) If only two Teams are tied and the Teams have not faced each other in earlier Rounds, and time permits, the Administrator may schedule a match between the two Teams, with the Team with the lower Team number pleading Applicant. The match shall be conducted according to the scoring Rules for Preliminary Rounds. The winner of such a Round shall be ranked higher.

If time does not permit any of the above-mentioned methods to be used to break the tie or if the tie still remains, the Competition Administrator shall determine the method for breaking the tie.

12.5 Reporting of Results

After the conclusion of the Competition, each Team participating in the Competition shall receive the following:

- (f) a summary of the Final Rounds of the Competition.

13. PENALTIES

13.1 Memorials Penalties

Memorials Penalties may be imposed by the Competition Administrator and shall be deducted from each of the individual judges' scores on a Team's Memorial. In the event that a Memorial is scored by only two (2) judges, penalties shall be deducted from each of the two (2) judge's scores prior to calculating the third score.

The minimum adjusted raw score that any Team may receive from any individual Memorial judge is fifty (50) points. No further reduction may be made to scores after the minimum score is reached, regardless of unallocated Penalty points remaining. In instances where only one Memorial is in violation of the Rule, Memorial Penalties may be deducted from the scores of the offending Memorial only. The Competition Administrator shall notify all affected Teams of imposed Penalties prior to the first Preliminary Round, and shall include with such notification a reasonable deadline for any appeals from the decision to impose Penalties. A Team may appeal any Penalty imposed against its Memorials in writing to the Competition Administrator. The Moot Committee shall decide upon the validity of any appeal from the imposition of a Penalty by the Administrator. No further appeal is available from this appellate decision of the Moot Committee. If a team believes that an infraction of the Rules has occurred during a moot round, the team may notify the bailiff in writing within five (5) minutes of the conclusion of that moot round. If there is no bailiff, teams must approach the Competition Administrator with complaints. Written notification shall clearly describe the violation and the parties involved in the violation. The team shall not directly approach the judges regarding a violation of these Rules. When possible, the matter should be raised with the bailiff outside the attention of the judges.
